SUBJECT: Specifications for Packaging of Materials

25X1A

On March 14th, in Rochester, discussions with [REDACTED] led to the conclusion that he desired and needed more guidance in the packaging of materials for shipment to us. We discussed most phases of this operation insofar as we were directly involved in handling the material.

Upon returning to Washington, in conjunction with Mr. Lundahl's group, we developed the attached specifications for packaging.

I would appreciate your forwarding this information to [REDACTED] as soon as possible if you see no conflict with any prior arrangements.
